

**NOTICE OF SELECTION OF APPLICATION FOR PROJECT BASED SECTION 8  
VOUCHERS FOR AHA-OWNED UNITS**

The Albuquerque Housing Authority (AHA) has selected a new construction project for the issuance of Project Based Section 8 Vouchers. The AHA-owned Broadway McKnight project was selected for an award of thirteen (13) project-based vouchers and will be built at 1840-1878 Broadway Place NE, Albuquerque, NM 87102. The project developer/owner is Albuquerque Housing Authority.

The application was selected through the ongoing “walk-up” process available for proposals from property owners to receive an allocation of Project Based Section 8 Vouchers. AHA-owned units may be assisted under the Project Based Voucher program only when an independent entity reviews the selection process and determines that the AHA-owned units were appropriately selected based on the selection procedures specified in the AHA administrative plan. This review and determination were completed by Bernalillo County Housing Department.
