

**NOTICE OF PRE-APPLICATIONS SELECTED
THROUGH THE SECTION 8 HOUSING CHOICE VOUCHER LOTTERY**

The Albuquerque Housing Authority (AHA) is pleased to announce that the following pre-application confirmation numbers were selected through the Section 8 Housing Choice Voucher (HCV) Lottery. The Lottery was conducted through a third-party provider using secure measures to maintain both the integrity of the data and random nature of the drawing.

AHA is releasing only the confirmation numbers of the households selected so as to protect the privacy, personal information, and safety of our applicants. Please compare your confirmation number to the list of selections below.

PLEASE NOTE that selection in the Lottery is **not** a guarantee of admission to the HCV Rental Assistance Program. Households selected in the Lottery will be screened according to the Section 8 HCV Administrative Plan.

Households selected through the lottery process should **not** make any plans to move or rent a home until they are specifically directed to by AHA Admissions Staff. Households selected through the lottery will be contacted by United States Mail regarding the next steps to be taken. **Phone appointments** will be scheduled between January 4, 2021 through January 31, 2021. Please note that your official AHA selection letter sent by U.S. Mail to the mailing address on file with your confirmation number is your official proof of selection through the lottery process.
